MORE PRODUCTS FROM THE COLLECTION

TEDDY

Teddy's collection is full of bears. Each is different, though being child-friendly. One big, one tiny, one concave, one convex. One thing is certain! With each of them, your little one can say hello by grabbing its nose, stroking its tummy.

This three-dimensional, sensory front stimulates the senses, supporting the development of the youngest users of furniture. We know very well that Teddy Bears and your baby will love each other!
