## Conservation

Use a soft cloth, slightly moistened with a mild cleaning agent. Wipe with a clean dry cloth.

Please do not scrub the elements, do not use sharp sponges, do not scratch. ILUSI shall not be liable for improper care of the products by the User.

## Assembly

No assembly required. As part of the purchase, we deliver a folded piece of furniture to the address indicated – legs / frames require self-tightening.

## Delivery

Our furniture is safely packed and sent to customers from Poland and other countries.

The delivery price is calculated individually after confirmation of the delivery address and depending on the quantity, weight and size of the ordered products.

Consignments over 50 kg are sent on pallets.

Pallets are delivered and left on the nearest available hard surface, which can accommodate the pallet without hindering the movement of others.

Employees do not provide the service of bringing furniture.

# ILUSI LINEA

A line of unique furniture, combining original design and aesthetic minimalism. Chests of drawers and cabinets with clean lines give new meaning to the rooms and emphasize their personal character. Exceptional materials, intriguing colours and meticulously crafted details allow you to rediscover the value of furniture.

Our furniture does not determine the space, but it is its strong point. Designed to showcase and enjoy this modest uniqueness for years to come.

The collection is characterized by minimalism, excellent quality and design at the highest level combined with functionality. The slanted striped pattern is a stylish bow to the latest design trends, and the minimalist form is a factor ensuring timelessness.

The furniture presents itself beautifully in unusual interiors and gives a unique character to classic spaces. The Linea collection satisfies the tastes of customers who value individualism.
