

ILUSI SENSO

HEDGEHOG Double Cabinet

The cabinet is decorated with two befriended hedgehogs. Such a double cabinet gives you double joy and many opportunities to have fun. The child can learn different shapes, guiding his or her hands through shape-shifting fronts, can feel the changeability of textures, but can also learn to count with the help of a parent by adding more convex points. Can you count them all?

Dimensions

Height	60,8 cm
+ legs	15 cm

Conservation

Use a soft cloth, slightly moistened with a mild cleaning agent. Wipe with a clean dry cloth.

Please do not scrub the elements, do not use sharp sponges, do not scratch. ILUSI shall not be liable for improper care of the products by the User.

Assembly

No assembly required. As part of the purchase, we deliver a folded piece of furniture to the address indicated – legs / frames require self-tightening.

Delivery

Our furniture is safely packed and sent to customers from Poland and other countries.

The delivery price is calculated individually after confirmation of the delivery address and depending on the quantity, weight and size of the ordered products.

Consignments over 50 kg are sent on pallets.

Pallets are delivered and left on the nearest available hard surface, which can accommodate the pallet without hindering the movement of others.

Employees do not provide the service of bringing furniture.

MORE PRODUCTS FROM THE COLLECTION

HEDGEHOG

Stomp stomp stomp stomp! Here comes the hedgehog. A beautiful little hedgehog with a convex muzzle and rounded needles. You can count them, we promise they do not sting. These attracting, sensory fronts are all you want to touch.

Getting to know shapes is pure pleasure, a big dose of development and fun. Why don't you invite these forest animals to your house?
