

ILUSI SENSEO

NUMBERS Triple Cabinet

A triple cabinet, whose fronts are decorated with a lot of interesting details. With its help, the child can discover an interesting world of numbers by adding the first numbers and learning to write them in Braille. You can count on such a piece of furniture to support your child's development through play every day!

Conservation

Use a soft cloth, slightly moistened with a mild cleaning agent. Wipe with a clean dry cloth.

Please do not scrub the elements, do not use sharp sponges, do not scratch. ILUSI shall not be liable for improper care of the products by the User.

Assembly

No assembly required. As part of the purchase, we deliver a folded piece of furniture to the address indicated – legs / frames require self-tightening.

Delivery

Our furniture is safely packed and sent to customers from Poland and other countries.

The delivery price is calculated individually after confirmation of the delivery address and depending on the quantity, weight and size of the ordered products.

Consignments over 50 kg are sent on pallets.

Pallets are delivered and left on the nearest available hard surface, which can accommodate the pallet without hindering the movement of others.

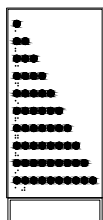

Employees do not provide the service of bringing furniture.

MORE PRODUCTS FROM THE COLLECTION

NUMBERS

One, two, three - you count! All the elements that landed on the fronts of our furniture introduce children to the world of numbers. Through play, the child interacts with furniture, learns different arrangements, proportions, dependencies and learns to count by adding new elements.

The details developed in detail arouse the curiosity of the youngest, successfully performing a decorative and educational function.
